| Weight              | 225 Kg                                                                                   |
| Max temperature     | 300° C                                                                                   |
| Power supply        | 400 V ~ 3PH + N + PE 400 V ~ 2PH + N + PE 230 V ~ 3PH + PE 230 V ~ 1PH + N + PE 50-60 Hz |

## Equipment

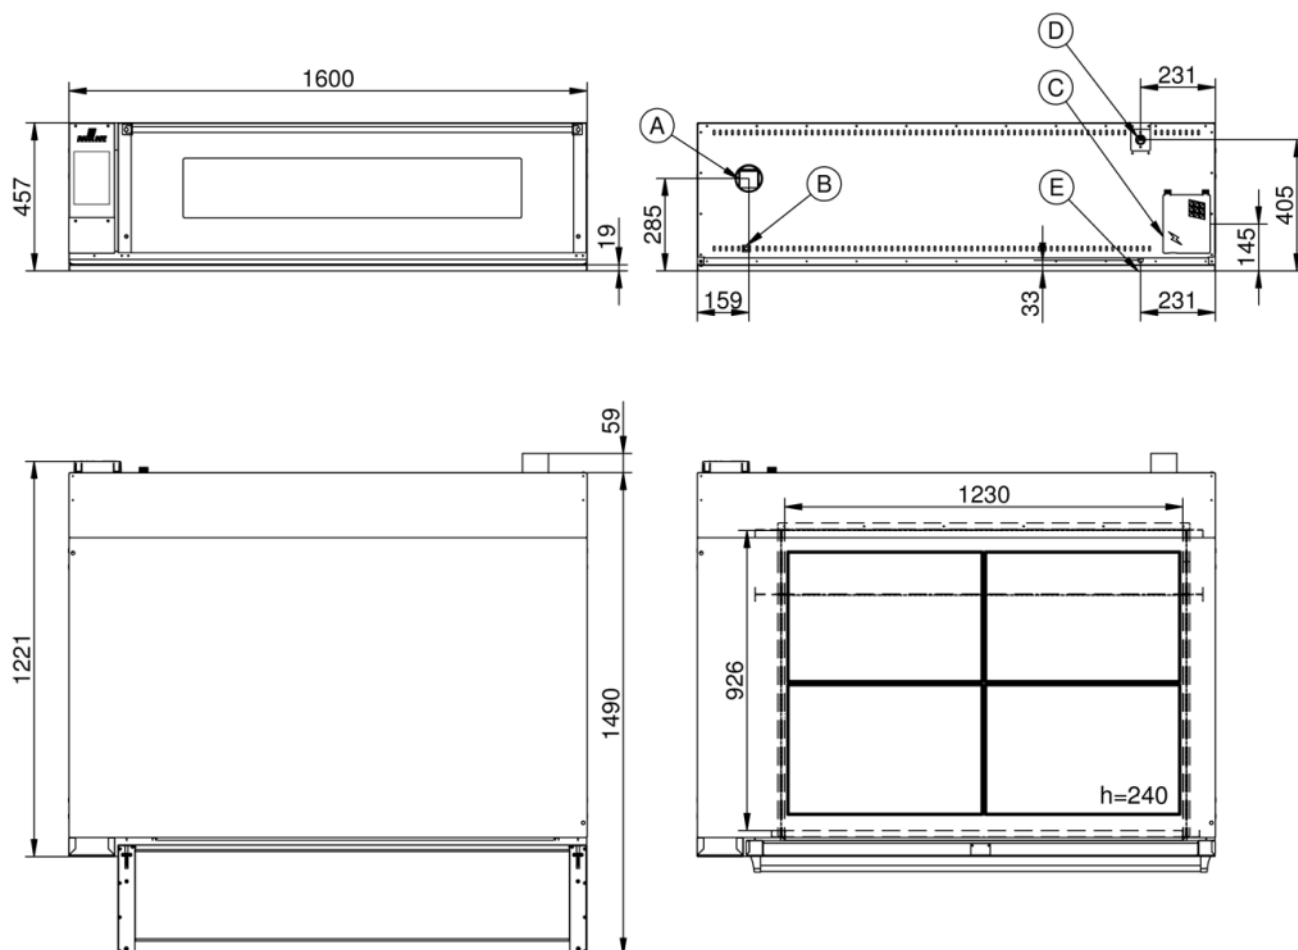

|                                   |                                        |                                       |
|-----------------------------------|----------------------------------------|---------------------------------------|
| Double low emissive glass         | High-performance thermal insulation    | Modularity                            |
| CE Certificate                    | Temperature control top / bottom in °C | Door gasket in refractory material    |
| Time-programmable steam injection | Manual steam injection                 | Manual mode                           |
| Automatic preheating              | Delayed start programming              | Automatic detection and errors report |
| Overlap option                    | Ground in refractory cement            |                                       |

## Options

|                                              |                               |
|----------------------------------------------|-------------------------------|
| Ethernet connection and wi-fi set-up DeckNET | Steamer and automatic chimney |
|----------------------------------------------|-------------------------------|

## Deckbake 1050 4T Master Pro H24

Electrical Supply

### Legend

A - Steam exhaust Ø 80  
B - Equipotential terminal comb  
C - Electric supply

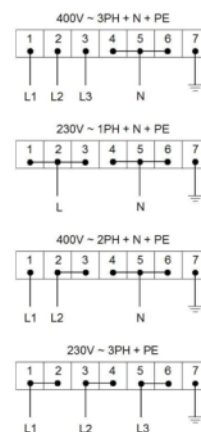

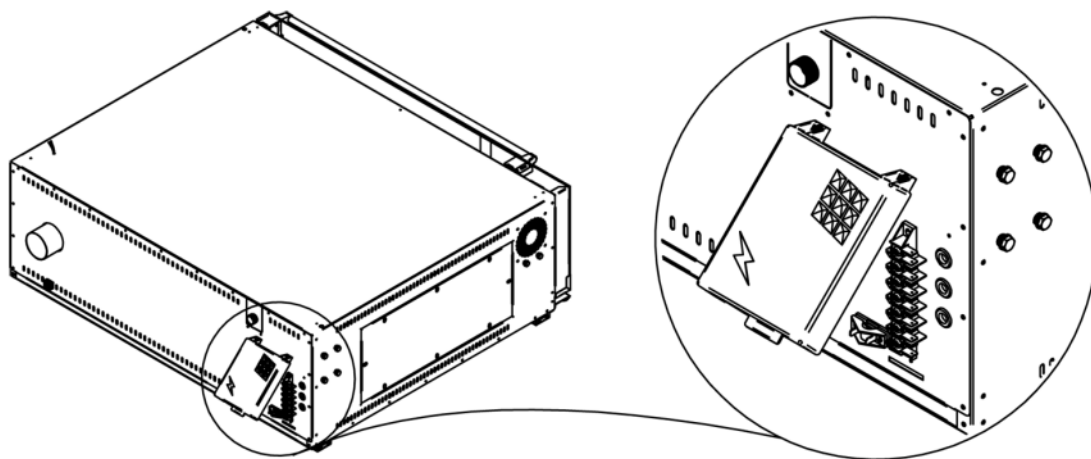

E - Drain liquid Ø 12mm

Steamer Option:  
D - Water inlet 3/4"
